Exceptional Education at the Heart of the Community

A very warm welcome and thank you for your interest in working with us at Oasis Academy Lister Park.

I am extremely proud to lead Oasis Academy Lister Park. I joined the Academy in September 2023 as the Principal, and I am now looking for talented individuals to join the Lister Park family. The Academy continues to build on the established foundations of a school that will continue to serve the City of Bradford's children. Our mission is to inspire and create exceptional education for our young people, ensuring our students lead happy and successful lives, being model citizens and future local, national, and global leaders.

We recently received an Ofsted inspection in March 2024, the academy was graded as "Good" and described as a "caring" school where leaders have created a culture where positive relationships are important.

Oasis Academy Lister Park is a fully inclusive academy where all students are welcomed, regardless of starting point, need or complexity. In our inspection we have been recognised for our work with students of all backgrounds including SEND "staff work collaboratively to ensure pupil's needs are met". **Our students are hard-working, determined, and successful, taking pride in all they do** and celebrating their own, and their peers' achievements with Inspectors noting that "Behaviour is good, and the school is calm and orderly". Their excellence is developed within the classroom and beyond, with a strong enrichment programme. We prepare our students to be leaders who the community look upon with pride and admiration as they develop their own passions and interests. We are incredibly proud of our students and the confident, well rounded young people we see them blossom into throughout their time with us. **When you become part of OA Lister Park you are joining more than a school; you are joining a family**, we live by the mantra "It takes the whole village to raise the child" from the famous African proverb. Every member of staff (from our facilities and catering staff through to the most senior members of our teaching staff) are advocates of this and fully embrace the Oasis ethos and 9 habits.

We have a relentless focus on quality of education to ensure that our students receive the best provision possible. There is also a **clear focus on high challenge, high expectations and enrichment opportunities**. We are developing the next generation of medical professionals, teachers, business leaders, engineers, scientists and many more occupations that are yet to be invented! This requires every single member of staff in the academy to be fully committed to achieving this for all. Ofsted noted that "There are high expectations for pupils at OALP, leaders have created an ambitious curriculum, based on the trust's national offer. Knowledge is effectively developed over time."

In exchange, **staff will be supported at every stage of their career with a comprehensive programme of CPD** from the trust including the Ofsted Outstanding NIOT (National Institute of Teaching) and NPQ (National Professional Qualifications) suite of qualifications and a strong focus on staff wellbeing and support.

Finding the right colleague is extremely important as your role will be crucial to the development of the academy. The successful candidate will need to be completely committed to our school vision and the Oasis ethos and values. There is a requirement for the successful candidate to be flexible and dedicated to helping ensure that our academy is exceptional every single day. This is a truly wonderful opportunity to join a forward-facing, community driven team.

I look forward to receiving your application.
Very best wishes

Mrs Jules Millar
Principal, Oasis Academy Lister Park

Oasis Community Learning

Thank you for your interest in joining the Oasis Community Learning (OCL) family. We are looking for talented teachers who share in our vision and values, to join our team.

It is our vision that every young person in our academies reaches their potential, no matter what their starting point and leaves us with an aspirational, fulfilled, and prosperous future ahead of them. We are at an exciting time for our organisation. In 2020 we introduced the OCL One Plan, uniting all areas of our organisation to achieve our mission by providing clear direction for the next five years, and a new entitlement for every child.

One of these entitlements is access to online learning wherever you are; each student in Oasis will receive an iPad to use at school or at home. Together, we will provide our young people with the opportunities that they deserve to realise their potential.

CEO, Oasis Community Learning

Conferences

We hold CPD conferences across the UK to share best practice and pedagogy - regionally and nationally.

Our Curriculum

In line with the Oasis Education Charter, the curriculum is the heart of our Academy's educational provision. Through this and our commitment to an exceptional climate for learning and great pedagogy, we make learning the foundation of every lesson. We have designed our curriculum to meet the needs of all, striving for personal as well as academic and vocational excellence.

We know that the development of character does not happen by chance but by purpose and intention: it is therefore an explicit part of our curriculum. We work hard at preparing our students to be the best version of themselves, today and in their futures.

Our curriculum is highly effective. In order to ensure that all our students receive the best, broad and exciting lessons and to make teachers' workload manageable, we have designed the Oasis Curriculum for all secondary subject areas, led by our National Curriculum Leads.
