How we support new staff

Within each academy there is a bespoke induction programme that is designed to develop the teaching practice of each individual. Weekly CPD sessions are delivered by a variety of experienced and engaging professionals, allow new to the profession teachers to quickly adapt and become established practitioners.

In addition, each academy has a senior leader responsible for the delivery and design of the programme. They are also there to support each new teacher and ensure that they are able to access any and all of the professional development they need. A mentor will be assigned who will meet with you weekly, observe your teaching to support rapid development, and guide you through the process of achieving QTS and successfully completing your induction year. A 'buddy' will also be assigned; someone who is within your department or faculty; a recently qualified member of staff, who can support you in the day-to-day aspects of settling into a new work place.

"I am grateful to Oasis Community Learning for the ever-continuing progression I have experienced in the past 7 years. Having first started as a student at an Oasis Academy, I have progressed through a variety of roles since working for the Trust, including becoming a Community Assistant, Learning Support Assistant and currently, an ECT teacher.

My outlook in life has always been to seize all available opportunities and I will therefore forever be grateful to the Principal at Oasis Academy Sholing for pushing me to fulfil the next step in my potential by transitioning between LSA to teaching Science. With the help of an incredibly talented mentor, I have successfully completed 2 years Teach First training and work with students of all year groups, as well as being a tutor and running a popular science club.

The excitement this job brings, from the fascination bought to children's faces when they learn about my subject, to the creativity and joy they share during our afterschool club, is tremendous. It is true what you read, no day in teaching is ever the same and for that, it is one of the most unpredictable and varied yet rewarding careers.

With CPD offered termly, there is room for progress in all realms of working within a school, not just locally, but nationally and globally also. Being a member of the Oasis Trust is a family you are immediately welcomed into from the start, with opportunities for development available from the moment you step foot over the threshold."

About Oasis Community Learning

Thank you for your interest in joining the Oasis Community Learning (OCL) family. I am delighted that you are interested in finding out more about us. Oasis Community Learning was established as a Multi-Academy Trust in 2004 with the vision to create “Exceptional Education at the Heart of the Community”. We now run academies in five main regions throughout the UK, providing either Primary, Secondary or All-through education to over 32,000 young people - 47% of whom are from disadvantaged backgrounds and 31% speak English as an additional language.

All of our academies are committed to providing a rich educational experience and ensuring that every child and young person has the opportunity to achieve at the highest level. Our ethos is integral to that provision. It is an expression of our character, a statement of who we are and therefore the lens through which we assess all we do. We are committed to a model of inclusion, equality, healthy relationships, hope and perseverance throughout all aspects of the life and culture of each academy community.

We passionately embrace learning and are committed to every child within our care reaching their full potential, developing holistically across every area of their lives both now and in their future. All of this is underpinned by our philosophy of education which highlights our focus on inspirational leadership, deep learning and healthy communities. It aspires to develop the character and competence of every child within every community of which we are a part.

At Oasis Community Learning therefore, we believe we are all ‘the architects of our students’ lives’ and as such we are committed to laying the right foundations for every one of our young people.

We also know that great schools are only sustainable within happy and healthy communities. In order to tackle the root causes of disadvantage we seek to ensure that school improvement and community development go hand in hand. In this way, the improvement is likely to be deeper, mutually supporting and long lasting.

Our academies are therefore just a part of an Oasis ‘Hub’ that provides wide-ranging and integrated services, designed to meet the needs of local people. Our shared aim is to work with and alongside disadvantaged children, young people, whole families and members of the wider community, empowering them to transform their neighbourhoods into places that are safe, supportive and full of opportunity. We want to see no one excluded or isolated, inclusive communities where every individual is supported to thrive and flourish.

Our people are our most important resource and our catalyst for change. Are you the one to help us do this?

We hope that you find everything you need in this brochure and welcome you to get in touch with the Academy you are applying for with any questions you may have.

John Barneby

CEO, Oasis Community Learning

The Oasis Ethos

Everything within Oasis Community Learning is framed by our ethos.

Our ethos is rooted in what we believe and who we are. Grounded in our story, it is an expression of our character; a set of values that inform and provide the lens on everything we do.

- A passion to include
- A desire to treat people equally respecting differences
- A commitment to healthy, open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

It is these ethos values that we want to be known for and to live by. We are committed to a model of inclusion, equality, healthy relationships, hope, and perseverance throughout all the aspects of the life and culture of every Oasis Hub and academy community.

We encourage every member of our family, be that staff or student, to align themselves to these ethos values. The values themselves are Christ-centred, but we make it clear that we will not impose on anyone, the beliefs that underpin our ethos values. We recognise and celebrate the richness that spiritual and cultural diversity brings to our community, respecting the beliefs and practices of other faiths in the hope that we will provide a welcoming environment for all.

Community Learning: Oasis Hubs

Developing and running Hubs is core to the global purpose of Oasis and vision for healthy communities. To this end, our staff are committed to working in an inclusive, integrated and empowering way so that all people experience wholeness and wellbeing. We want to see local communities that are characterised by trust, safety, cohesion, mutual support, vibrancy, health and opportunity, as well as increasing capacity to address their own issues. We want to see those who are excluded brought back into the community to share the experience of wholeness and wellbeing.

Each Oasis Academy is part of an Oasis Hub that responds to the needs of the local community through many different forms of outreach. Our united goal is to see the entire community transformed for the better.

The Oasis Curriculum

We have designed our Ofsted-praised curriculum to meet the needs of all, striving for personal as well as academic and vocational excellence. Through our curriculum we will achieve outcomes that drive social mobility and give everyone freedom of choice throughout their lives

The Oasis ethos and 9 Habits are a foundation stone to the design and delivery of our curriculum. We know that the development of character doesn't happen by chance but by purpose and intention: it is therefore an explicit part of our curriculum. We therefore work hard at preparing our students to be the best version of themselves not just for today but for their futures too. We provide our students with information on careers and the world of work encouraging them to be aspirational and ambitious so that they can secure their dream job and enjoy fulfilling careers.

Our curriculum has been designed to ensure our young people thrive, achieve and flourish. It enables them to understand what it is to be human and equips them for life so that they become kind and model citizens. Our curriculum not only develops our young people academically but socially, emotionally, culturally, physically and spiritually.

Whilst our knowledge-rich curriculum is designed to ensure the very best academic outcomes for our young people using the latest research in how the brain and memory works, it is about so much more than simply securing great results. It is about our academy's determination to achieve excellence with equity and integrity: where we bring advantage to the disadvantaged, where barriers to learning are successfully overcome and there are no limits to the achievement and ambition of our most able.

Our knowledge-rich curriculum and our commitment to the Oasis ethos and Nine Habits is supported by our Trust's policies on Learning and Behaviour for Learning and the work of our National Lead Practitioners and Leads for Learning Innovation.
